*"I want to express much appreciation for providing a speaker to come to our school. The speaker's story and strength of character made a huge impact on our students. Thank you for giving our students an opportunity to really understand."*

-Teacher, Damascus Middle School

*"Thank you so much for the trip to Washington, D.C. It was wonderful...we spent a sobering three-and-a-half hours in the Holocaust museum. It made me realize that this could happen again very easily, and we must never let our guard down."*
